

WARRANTY

U.S. Lift Systems warrants its product against operational failures caused by defective materials or workmanship, which occur during normal use for a period of two (2) years from date of purchase. U.S. Lift Systems will repair or replace free of charge any part of the product that their inspection shows to be defective. Warranty will not cover 12 volt motor that has been overloaded due to improper installation.

U.S. Lift Systems shall not be liable for loss of time, manufacturing costs, labor, materials, loss of profit, consequential damages, direct or indirect, because of defective products, whether due to rights arising under the contract of sale or independently thereof and whether or not such a claim is based on contract, tort or warranty.

Written permission for any warranty claim must first be obtained from U.S. Lift Systems. All returns must be accompanied with a complete written explanation of claimed defects and circumstances of failure.

This express warranty is the sole warranty of U.S. Lift Systems. There are no warranties which extend beyond the Warranty of U.S. Lift Systems. The sale of products of U.S. Lift Systems under any other warranty or guarantee expressed or implied are not allowed.

Proof of purchase is required before any warranty claim will be processed.

Any questions concerning this product or warranty should be directed to U.S. Lift Systems at 1-877-660-7555.

This warranty is only valid under the following conditions:

The original purchaser still owns the MAGNUM LIFT System. The warranty is not transferable to subsequent owners of the system.

If a defect is discovered within the warranty period:

Prior to any work being performed on the MAGNUM LIFT, the customer (owner), dealer, or service center must call MAGNUM LIFT to obtain an authorization to do warranty work.

Failure to call and obtain authorization will result in the customer (owner), dealer, or service center being responsible for all charges incurred.
